COMMITTEE MEETING MINUTES

...held at the Bengo Club on Friday 9 February 201, attended by, treasurer Robert Clayton, secretary Stan Kelley, assist. Secretary Dave O'Brien, handicaps secretary Stephen Langridge and fellow comp organiser David Grainge. Apologies for absence from Captain Nick MacDermott

The meeting commenced 7.40pm with the Secretary asking what trophies we should be playing for, baring in mind that we will only be playing 18 holes per event this year. It was decided to leave the trophies in existing hands as this 18 holes was only a trial year.

Prizes: Robert suggested that we maintain costs and simply increase the prizes of wine, rather than give cash. Increases to take the form of extra nearest pins for higher handicaps, plus nearest pin in two shots. There were no objections.

Vice Captain: No one had heard of the Captain's choice. But Stan passed on the message that Nick would have liked Abridge for his Capt day, but couldn't make that date, so is choosing Old Fold Manor instead.

Venue prices: Stan to forward prices to Treasurer to work out what we'll charge members during the coming season.

David Grainge queried how the finances were going. Stan noted that the AGM minutes had said that there was £800 profit for 2017. And with fewer trophies to be played for in 2018 then profits should improve further.

Away Weekend, April 22/23 to DeVere Staverton Park Hotel, Northampton. Organiser Dave O'Brien reported that we have 24 players booked and requested Stan to ask everyone for their balance of payment via the newsletter. Dave also suggested a reminder that drinks are 20% discount for us.

With no other business, the meeting closed 8.40pm.
